

Cyprus Entrepreneurship Competition 2022

CyEC

FRAMEWORK & TERMS & CONDITIONS

INTRODUCTION

1. The Cyprus Entrepreneurship Competition was initiated in 2003 hosted by the University of Cyprus and sponsored by the Ministry of Energy Commerce and Industry.
2. The Competition features an intensive mini acceleration program designed for early-stage entrepreneurs with a potentially scalable idea for a product or service targeting a market that is poised to generate value, together with the potential to compete on a global scale.
3. The Competition is open to teams who wish to engage in innovation-driven entrepreneurship and develop their ideas into start-up ventures or social enterprises.
4. CyEC welcomes business plans emerging out of some innovative technology, process, business model, or other innovation that has the potential to create a significant competitive advantage as compared to existing solutions.
5. CyEC aspires to help teams to network with research centers and labs of the University of Cyprus offering research infrastructures and know-how that may be relevant to evaluating or developing ideas and prototypes in topics including but not limited to Digitalisation, Cloud Computing, Artificial Intelligence, Big Data Analytics, Interactive Media and Computer Games, Renewable Energies, Intelligent Systems, Critical Infrastructures, Transportation Networks, Water Management, Green Tech, Bioinformatics and Health Sciences.

THE COMPETITION

Stage 1 LINK: Participants submit an Executive Summary of a pitch deck up to 4-7 pages long, where they outline: i) The Business Idea. ii) The Competitive Advantages. iii) The Target Market. iv) Technology. v) The Market Potential. vi) The Qualities of the Team.

Application screening: The Centre for Entrepreneurship (C4E) Board of Admissions will screen applications and interview teams to determine which business ideas will be sent to the judges for review. Applications that are incomplete, do not adequately provide the required information, or answer the application questions, will be ultimately disqualified.

All selected submissions are then evaluated by the CyEC Jury on their merits in developing successful businesses in the marketplace. The Cyec Jury will decide which applications will proceed to the next stage on their merits in developing successful businesses in the marketplace.

Stage 2 ACTIVATE: The purpose of Activate is to enable teams to validate their idea and further develop their business plan. Successful applicants entering Stage 2, undergo a high quality, zero equity intensive acceleration program (September 26th 2022 – November 14th 2022) with 5 tailored workshops and one private business plan consultation session. The teams have the unique opportunity to develop their ideas, refine their value proposition, grow their business skills and network through a series of carefully designed workshops and events with local and international partners. All teams will be assigned mentor(s) with suitable expertise according to the content of each business idea, will have access to the network of corporate partners and investors, as well as access to the valuable network of other entrepreneurs in the Cyprus and regional ecosystem.

Teams who enter stage 2 are required to submit a short video pitch which communicates their business idea*. At the end of this program, teams are required to submit a well-developed Business Plan.

Stage 3 PITCH/GIG/PLAY: The finalists are expected to present their Business Plans in a closed meeting with the CyEC Jury and the CyEC Mentors Network. All finalists are also required to present a 3-minute long pitch of their business at the CyEC 2022 Finalists Pitching presentation part of the 2022 Innovation & Entrepreneurship Forum in the University of Cyprus. The winning team(s) will be announced after the presentation.
